October Gallery Juror's Statement:

To all members of the Boca Museum of Art Artists Guild.

First, I want to congratulate you on your new Gallery Exhibition space. It has great light and height and you can never have enough display windows. With the additional space comes a greater number of admissions which made my task much more difficult.

Delighted to see such a wide range of subject matter and styles, expressions and skills, it was challenging to choose award winners. I was attracted to strong compositions, an outstanding use of formal elements and a reflection of our culture. I wished there were more awards to recognize exceptional artwork.

Janet Onofrey, Juror
