

## JUROR'S STATEMENT:

For the current show, it was a pleasure to jury such a wide-ranging collection of artwork by local artists. From figure painting and landscape, to abstraction and representational, each piece reflected the artist's unique perspective and interests. In having to choose a small group of award winners, invariably many deserving artworks go unrecognized. Every artist in this show had something to offer the viewer with some artwork reflecting Florida's beauty to other pieces about far ranging ideas or exotic locales. This is a show sure to please all who come and see it.
